

# ENCRADLE

*Meaning: To encradle means to hold or support something tenderly and protectively, often in one's arms.*

1. The mother gently encradled her newborn in her arms, singing softly to soothe him.
2. As the storm raged outside, the old man encradled his memories like fragile treasures.
3. The artist sought to encradle her inspiration within the vibrant colors of her canvas.
4. With great care, she encradled the delicate bird in her hands, hoping it would regain its strength.
5. The ancient tree encradled the roots of the surrounding plants, providing them with shelter and support.
