

ENFOLD

Meaning: To enfold means to wrap or surround something completely, often in a comforting or enveloping manner.

1. The warm blanket seemed to enfold her in a cocoon of comfort on the chilly evening.
2. As the fog began to rise, it would enfold the landscape, blurring the outlines of the trees.
3. The artist used rich colors to enfold the viewer in the emotions of the painting.
4. In the embrace of the forest, the trees seemed to enfold him in their ancient wisdom.
5. Her words enfolded him like a gentle melody, soothing his troubled mind.
