

ENFRANCHISER

Meaning: Enfranchiser: a person or entity that grants or extends voting rights to individuals or groups, particularly marginalized communities.

1. The enfranchiser played a crucial role in expanding the voting rights of marginalized communities.
2. In a democratic society, the enfranchiser must ensure that every eligible citizen has a voice in the electoral process.
3. The organization's mission as an enfranchiser is to empower individuals through education and advocacy.
4. Historically, the enfranchiser was often met with resistance from those who feared losing their power.
5. By acting as an enfranchiser, the group aimed to dismantle systemic barriers to participation in governance.
