

ENGRAPPLE

Meaning: Engrapple means to engage in a struggle or contest, either physically, as in wrestling, or intellectually, as in a debate.

1. The two wrestlers began to eng grapple fiercely, each trying to gain the upper hand.
2. As the debate continued, the two scholars engaged in a spirited eng grapple over the interpretation of the text.
3. Children often eng grapple with complex emotions, making sense of their feelings in a crowded playground.
4. In the novel, the protagonist must eng grapple with his past mistakes before he can move forward.
5. The community leaders engaged in an eng grapple to find a solution to the pressing local issues.
