

ENSHROUD

Meaning: To enshroud means to cover or conceal something completely, often in a way that creates mystery or obscurity.

1. The mystery surrounding the ancient artifact was further ensnared by the legends that seemed to enshroud it.
2. A thick fog began to enshroud the valley, making it difficult to see even a few feet ahead.
3. Her past experiences seemed to enshroud her present, casting a shadow over her happiness.
4. The artist chose to enshroud his subject in darkness, adding an air of intrigue to the painting.
5. As night fell, the mountains became enshrouded in a veil of darkness, transforming the landscape entirely.
