

ERASTIAN

Meaning: Erastian refers to the belief or doctrine that the state holds authority over the church in matters of governance and ecclesiastical affairs.

1. The philosopher's approach was distinctly Erastian, emphasizing the supremacy of state authority over ecclesiastical matters.
2. In an Erastian framework, the church is seen as subordinate to the government, leading to conflicts over moral and ethical standards.
3. Many scholars argue that the Erastian position is essential for maintaining social order in a pluralistic society.
4. The debate over the Erastian perspective has been reignited in modern discussions about the separation of church and state.
5. Historically, Erastianism has influenced various political movements seeking to define the relationship between religion and governance.
