

ESCUTCHEON

Meaning: An escutcheon is a shield or emblem bearing a coat of arms or family crest, often used decoratively in design.

1. The family crest was beautifully painted on the escutcheon displayed above the fireplace.
2. Designers often incorporate an escutcheon in their work to convey a sense of heritage and tradition.
3. During the ceremony, the knights proudly wore their escutcheons, symbolizing their noble lineage.
4. The ornate escutcheon served as a reminder of the castle's rich history and the noble family it once housed.
5. In heraldry, the escutcheon is a central element that represents the identity and achievements of a family.
