

# ESPERANTO

*Meaning: Esperanto is a constructed international auxiliary language designed to facilitate communication between people of different native languages.*

1. Esperanto was created in the late 19th century to foster international communication.
2. Many people study Esperanto to connect with speakers from diverse backgrounds.
3. The simplicity of Esperanto's grammar makes it an appealing choice for language learners.
4. Esperanto speakers often gather at events to celebrate their shared passion for the language.
5. Despite being constructed, Esperanto has developed a rich cultural and literary heritage over the years.
