

EUTHANASY

Meaning: Euthanasia is the practice of intentionally ending a person's life to relieve them from suffering, often in the context of terminal illness, and is associated with ethical debates regarding the value of life.

1. Euthanasia is a deeply controversial topic that raises ethical questions about the value of life.
2. Many people believe that euthanasia should be an option for those suffering from terminal illnesses.
3. In some countries, euthanasia is legally permitted under strict regulations to ensure informed consent.
4. The debate over euthanasia often centers around the rights of patients versus the moral obligations of healthcare providers.
5. Advocates for euthanasia argue that it can provide a compassionate and humane end to unbearable suffering.
