

EXCLAMATIVE

Meaning: Exclamative refers to a type of sentence that conveys strong emotion or surprise, often marked by an exclamatory tone or punctuation.

1. An exclamative sentence expresses strong emotion or surprise.
2. "Wow, what a beautiful sunset!" is an example of an exclamative statement.
3. In English grammar, exclamative sentences often begin with "what" or "how."
4. She shouted, "How incredible this is!" to convey her excitement.
5. Exclamative constructions can add emphasis to the speaker's feelings.
