EXCUSE

Meaning: Excuse (noun): a reason or explanation put forward to justify a fault or offense.

1. Please excuse my tardiness; the traffic was worse than I anticipated.
2. He always tries to find an excuse for not completing his assignments on time.
3. When she asked for a raise, her manager wanted to hear her reasons, not just excuses.
4. I hope you'll excuse me for leaving the party early; I have an early meeting tomorrow.
5. It's important to differentiate between a valid excuse and an attempt to avoid responsibility.
6. Can you please excuse my tardiness; the traffic was unexpectedly heavy?
7. She offered a heartfelt excuse for forgetting our meeting, citing a family emergency.
8. It's important to recognize when an excuse is genuine and when it's just a way to avoid responsibility.
9. He didn't have a valid excuse for missing the deadline, which disappointed his manager.
10. Instead of making excuses, she focused on finding solutions to the problems at hand.
