

EXTERRITORIALITY

Meaning: Extrterritoriality is the legal principle that exempts individuals, such as diplomats, from the jurisdiction of the host country's laws, allowing them to operate under their home country's laws while abroad.

1. Extrterritoriality can create complex legal situations for diplomats stationed in foreign countries.
2. The principle of extrterritoriality allows certain individuals to operate under their home country's laws while abroad.
3. In cases of extrterritoriality, local authorities often face challenges in enforcing their own regulations.
4. International businesses often navigate issues of extrterritoriality when dealing with cross-border transactions.
5. Extrterritoriality can sometimes lead to tensions between nations regarding jurisdiction and legal accountability.
