

# FAILURE

*Meaning: Failure is the lack of success or the inability to meet a desired goal or standard.*

1. Failure is often seen as a stepping stone to success rather than a setback.
2. The team's inability to meet the deadline was a significant failure in their project management.
3. He viewed his recent business venture as a failure, but he learned valuable lessons from the experience.
4. Her fear of failure prevented her from taking risks and pursuing her dreams.
5. In the face of failure, resilience is key to overcoming obstacles and moving forward.
