

FANFARE

Meaning: Fanfare refers to a short, lively, and often ceremonial musical composition or flourish, typically played by brass instruments to announce or celebrate an event.

1. The event began with a grand fanfare that captivated the audience.
2. As the parade approached, a brass band played a lively fanfare to herald the festivities.
3. In celebration of her promotion, her colleagues surprised her with a fanfare of cheers and applause.
4. The opening ceremony featured a dramatic fanfare that signaled the start of the competition.
5. After the announcement, a fanfare erupted, marking a moment of triumph for the team.
