FEUDALITY

Meaning: Feudality refers to a social system prevalent in the Middle Ages characterized by a hierarchical structure of land ownership and obligations of loyalty between lords and vassals.

1. Feudality established a rigid social hierarchy that defined land ownership and loyalty during the Middle Ages.

2. The remnants of feudalism can still be seen in certain aspects of modern governance and land management.

3. Many historians argue that the decline of feudality was a crucial factor in the rise of the modern nation-state.

4. In a feudal society, the relationships between lords and vassals were built on mutual obligations and protection.

5. The concept of feudality often evokes images of knights, castles, and a time when power was decentralized and localized.
