

# FIAR

*Meaning: Fiar (noun): A person, often an official or judge, responsible for overseeing and managing events or competitions, particularly in a festival or tournament setting.*

1. The fiar of the tournament was known for his skilled judgment and keen eye for talent.
2. During the festival, the fiar announced the rules for the various competitions with great enthusiasm.
3. Everyone in the village respected the fiar for his fair treatment of all participants.
4. As the fiar evaluated the performances, the crowd held its breath in anticipation of the results.
5. The role of the fiar was not only to oversee the events but also to ensure that everyone played by the rules.
