

FIREDOG

Meaning: Firedog: a metal stand or support for holding logs or wood in a fireplace, often used decoratively.

1. The old firedog lay peacefully by the hearth, basking in the warmth of the flames.
2. After a long day of work, I enjoyed relaxing in front of the firedog with a good book.
3. The children gathered around the firedog, mesmerized by the dancing flames and crackling wood.
4. As the winter chill settled in, we lit the firedog to create a cozy atmosphere in the living room.
5. The scent of burning logs from the firedog filled the air, bringing a sense of comfort to the chilly night.
