

FLOTILLA

Meaning: A flotilla is a group of small vessels or boats, often used for a specific purpose such as fishing or military exercises.

1. The flotilla of small fishing boats glided silently across the calm waters at dawn.
2. During the naval exercise, a flotilla of warships demonstrated their advanced maneuvering capabilities.
3. A colorful flotilla of kayaks paddled down the river, creating a lively spectacle for onlookers.
4. The humanitarian flotilla aimed to deliver essential supplies to the isolated island community.
5. As the sun set, the flotilla returned to the harbor, casting long shadows on the water's surface.
