

FLOWERINESS

Meaning: Floweriness refers to the use of elaborate, ornate, or excessively decorative language, often enhancing expressiveness but sometimes detracting from clarity.

1. The floweriness of her prose often left readers in awe of her vivid imagination.
2. He appreciated the floweriness of the speech, even if it sometimes obscured the main point.
3. The garden was a symbol of floweriness, bursting with colors and fragrances that delighted the senses.
4. Despite the floweriness of the poem, its underlying message was one of profound simplicity.
5. Critics argued that the floweriness of the language detracted from the story's emotional impact.
