

FOGGAGE

Meaning: Foggage: a layer of fog or mist that envelops an area, often creating a mysterious or obscured environment.

1. The foggage settled over the valley, creating a mysterious atmosphere.
2. As the sun began to rise, the foggage slowly lifted, revealing the landscape beneath.
3. Walking through the thick foggage, I felt as if I had entered another world.
4. The foggage hung low, obscuring the view of the distant mountains entirely.
5. In the early morning, the foggage wrapped around the trees, making them appear ethereal.
