

FOGIE

Meaning: Fogey: a person, typically an older individual, who is considered outdated or resistant to modern ideas, especially regarding technology and social trends.

1. My grandfather is such a fogie; he refuses to use a smartphone.
2. While some people embrace technology, others prefer the comfort of being a fogie.
3. You can always count on a fogie to reminisce about the good old days.
4. At the coffee shop, I overheard a fogie passionately debating the merits of vinyl records.
5. Though he's a fogie at heart, he surprises us with his knowledge of modern trends.
