

FOOTWAY

Meaning: Footway: a path or walkway designated for pedestrians, often alongside a road or in a park.

1. The footway was lined with blooming flowers, creating a picturesque stroll for pedestrians.
2. After the rain, the footway became slippery, requiring careful navigation for those on foot.
3. City planners have proposed widening the footway to accommodate an increasing number of walkers.
4. She enjoyed her morning jog along the footway that hugged the riverbank, offering stunning views.
5. The footway was illuminated with soft lights, making evening walks more inviting and safe.
