

FOREJUDGER

Meaning: Forejudger (noun): a person who forms a judgment or opinion about someone or something prematurely, often influenced by past experiences or biases rather than current evidence.

1. The forejudger made his decision based on past experiences rather than the evidence presented.
2. In court, the forejudger's bias was evident, clouding the fairness of the trial.
3. It is crucial for a juror to avoid being a forejudger, as each case should be evaluated on its own merits.
4. As a forejudger, she often dismissed new information that contradicted her initial beliefs.
5. The forejudger's assumptions led to a misinterpretation of the defendant's actions.
