

FOREJUDGMENT

Meaning: Forejudgment refers to a legal order or ruling issued by a court to suspend certain actions or clarify issues before the final judgment in a case.

1. The court issued a forejudgment to prevent further actions until the case was resolved.
2. In legal proceedings, a forejudgment can help clarify the issues at stake.
3. The attorney argued that the forejudgment was necessary to protect her client's interests.
4. Before reaching a conclusion, the judge considered the implications of the forejudgment.
5. The concept of forejudgment often arises in discussions of preemptive legal measures.
