FOUNTAINLESS

Meaning: FOUNTAINLESS: lacking fountains or water features.

1. The park was surprisingly fountainless, leaving visitors to seek shade under the trees instead.

2. In a fountainless courtyard, the absence of water features made the space feel unusually dry.

3. The design of the fountainless plaza emphasized open space and community gatherings.

4. Despite being fountainless, the garden was vibrant with colorful flowers and lush greenery.

5. The architect's vision for the fountainless landscape aimed to create a serene environment without the sound of splashing water.
