

FREEHOLD

Meaning: Freehold refers to a type of property ownership where the owner has full rights and control over the land and any structures on it, without a time limit on ownership.

1. The property was sold as freehold, allowing the owner complete control over the land.
2. Investing in freehold properties can often provide more long-term security than leasehold options.
3. She was thrilled to finally own a freehold home after years of renting.
4. The benefits of freehold ownership include no ground rent and greater freedom to modify the property.
5. Many buyers prefer freehold titles to avoid the complications of leasehold agreements.
