

FRIAR

Meaning: A friar is a member of a religious order, particularly within the Christian tradition, who lives in community and is dedicated to serving others, often through preaching and charitable works.

1. The friar walked through the village, spreading goodwill and kindness among the people.
2. In the heart of the monastery, the friar spent hours in quiet meditation and prayer.
3. The friar's wisdom and compassion earned him the respect of both his peers and the local community.
4. During the festival, the friar delivered a heartfelt sermon that inspired many to reflect on their lives.
5. With a humble smile, the friar offered his assistance to those in need, embodying the spirit of charity.
