

FRIARY

Meaning: A friary is a building or complex where a group of friars, typically members of a religious order, live and practice their faith.

1. The old friary stood on the hill, its weathered stones telling tales of centuries past.
2. Visitors often marvel at the peaceful gardens surrounding the ancient friary.
3. After the tour, we sat quietly in the sun-drenched courtyard of the friary, lost in thought.
4. The friary's library housed rare manuscripts that attracted scholars from around the world.
5. Local legends spoke of ghostly figures wandering the grounds of the abandoned friary at dusk.
6. The ancient friary stood as a testament to the quiet devotion of its past inhabitants.
7. Visitors often marvel at the beautiful architecture of the friary nestled in the hills.
8. After a long hike, we stumbled upon a serene friary, perfect for reflection and rest.
9. The monks at the friary practiced their rituals with unwavering commitment and peace.
10. Once a bustling center of spirituality, the friary now welcomes those seeking solace and tranquility.
