

# FRIBBLING

*Meaning: Fribbling refers to engaging in aimless or trivial activities, often as a distraction from more important tasks.*

1. The children were fribbling with their toys instead of doing their homework.
2. As the meeting dragged on, he found himself fribbling with his pen, lost in thought.
3. She had a habit of fribbling with her hair when she was nervous.
4. Fribbling around with the recipe, she added a pinch of salt that made all the difference.
5. He could see her fribbling with the buttons on her jacket as she waited for him to arrive.
