

FRIPPERER

Meaning: Fripperer (noun): a person who is excessively concerned with frivolous or superficial appearances, often showcasing extravagant or ostentatious style.

1. The fripperer at the party flaunted an extravagant outfit that turned heads.
2. She often critiqued the fripperer's obsession with flashy accessories over substance.
3. While some admired the fripperer's bold fashion choices, others found them excessive.
4. The fripperer's antics made every gathering feel like a whimsical circus.
5. In a world of minimalism, the fripperer's style was a vibrant, chaotic explosion of color.
