

# FUSCATION

*Meaning: Fuscation refers to the act or process of darkening or obscuring, often used in the context of camouflage or artistic techniques to enhance depth and concealment.*

1. Fuscation in the context of camouflage can be crucial for an animal's survival in the wild.
2. The artist's use of darker shades created an effect of fuscation that added depth to the painting.
3. Researchers studied the fuscation patterns on the butterfly's wings to understand their adaptive significance.
4. In literature, fuscation can symbolize the obscuring of truth or the complexity of human emotions.
5. The subtle fuscation in the photograph gives it an air of mystery that draws viewers in.
