

GALLIVAT

Meaning: Gallivat: a small, swift sailing vessel traditionally used in coastal waters, often characterized by its sleek design and maneuverability.

1. The gallivat sailed smoothly across the tranquil waters of the bay.
2. During the annual festival, the local artisans showcased their intricately designed gallivats.
3. The fishermen relied on their gallivat to navigate the treacherous coastal waters.
4. As the sun set, the gallivat cast long shadows on the shimmering sea surface.
5. Explorers often used a gallivat to travel between the islands in the archipelago.
