

GAMEKEEPER

Meaning: A gamekeeper is a person responsible for managing and protecting wildlife and their habitats, often on private estates.

1. The gamekeeper patrolled the estate to ensure the wildlife thrived in its natural habitat.
2. After years of dedication, the gamekeeper finally earned recognition for his conservation efforts.
3. With the hunting season approaching, the gamekeeper prepared the grounds to maintain balance in the ecosystem.
4. Many young apprentices aspired to learn from the experienced gamekeeper, hoping to follow in his footsteps.
5. The gamekeeper's knowledge of local fauna made him an invaluable resource for environmental studies.
