GARNISHMENT

Meaning: Garnishment is a legal process by which a portion of a person's earnings or assets is withheld by an employer or financial institution to satisfy a debt or obligation.

1. The court issued a garnishment to collect the unpaid debts from his wages.
2. After failing to pay her taxes, the government placed a garnishment on her bank account.
3. He was surprised to find a garnishment on his paycheck, which reduced his take-home salary.
4. The garnishment process can often be complicated and requires legal guidance.
5. To avoid garnishment, it's essential to stay current on your financial obligations.
