

GASTNESS

Meaning: Gastness refers to the quality of being vast or immense, often evoking a sense of awe or wonder.

1. The vastness of the ocean always leaves me in awe.
2. As I stood on the mountain peak, the sheer gastness of the landscape took my breath away.
3. Exploring the gastness of the desert, I felt both small and liberated.
4. The gastness of the universe is a constant reminder of our place in it.
5. In literature, the theme of gastness often symbolizes existential reflection and wonder.
