

GATEPOST

Meaning: A gatepost is a sturdy vertical post that supports or marks the sides of a gate, often serving as an entrance marker to a property.

1. The old gatepost leaned precariously to one side, weathered by years of storms.
2. As we approached the property, I noticed an intricately carved gatepost flanking the entrance.
3. The children played hide-and-seek, often darting behind the sturdy gatepost for cover.
4. Her memories of summer visits included long chats by the gatepost, watching the sunset.
5. The blacksmith fashioned a new gatepost, replacing the one that had rotted over time.
