

GHIBELLINE

Meaning: Ghibelline refers to a member of a political faction in medieval Italy that supported the Holy Roman Empire in opposition to the Guelfs, who favored the Papacy.

1. The Ghibelline faction was historically aligned with the Holy Roman Empire during the Italian wars of the late Middle Ages.
2. In Florence, the rivalry between the Ghibellines and the Guelfs shaped much of the city's political landscape.
3. Many prominent families in medieval Italy were either staunch Ghibellines or loyal Guelfs, reflecting deep-seated allegiances.
4. The Ghibelline supporters celebrated their victories with fervor, while their opponents mourned the losses in their struggle for power.
5. Studying the Ghibelline movement reveals the complex dynamics of feudal loyalty and regional governance in medieval Italy.
