

GLADE

Meaning: A glade is an open space or clearing in a forest, often filled with grass and light.

1. The sun filtered through the trees, casting dappled light across the glade.
2. In the heart of the forest, we discovered a tranquil glade perfect for a picnic.
3. Wildflowers bloomed in vibrant colors, transforming the glade into a picturesque scene.
4. As they walked through the glade, the sounds of chirping birds filled the air.
5. The children played in the glade, their laughter echoing among the tall pines.
