

# GLAUM

*Meaning: Glaum refers to a thick, often oppressive mist or gloom that envelops an area, creating a dark and eerie atmosphere.*

1. The glaum wrapped around the tree branches, giving the forest an eerie appearance.
2. As the storm approached, a sense of glaum settled over the village, darkening the mood.
3. She could feel the glaum of uncertainty as she stepped into the unfamiliar room.
4. The glaum of fog enveloped the coastline, making it difficult to see the ships at sea.
5. With each passing moment, the glaum of tension in the air grew thicker between them.
