

GODMOTHER

Meaning: A godmother is a woman who serves as a spiritual guide or mentor, often providing support and care, or a fairy-tale figure who offers magical assistance.

1. My aunt has always been like a godmother to me, offering guidance and support throughout my life.
2. In the fairy tale, the kind godmother transformed the protagonist's rags into a beautiful gown for the ball.
3. After the wedding, she proudly accepted the role of godmother to her best friend's newborn daughter.
4. The godmother played a crucial role in the child's baptism, promising to watch over her as she grew.
5. During the family reunion, we shared stories about our godmother's wisdom and her knack for storytelling.
