

GONDOLIER

Meaning: A gondolier is a person who rows or propels a gondola, typically in the canals of Venice, often entertaining passengers with songs.

1. The gondolier skillfully navigated the narrow canals of Venice.
2. With a melodic song, the gondolier entertained his passengers during the serene ride.
3. As the sun set over the lagoon, the gondolier expertly maneuvered the boat through the reflective water.
4. Tourists admired the gondolier's traditional attire as they glided past historic buildings.
5. The gondolier shared fascinating stories about the city's history while paddling through the winding waterways.
