

GONENESS

Meaning: Goneness refers to the state of being absent or lost, often evoking a sense of emptiness or nostalgia for what has been irretrievably removed.

1. Her sudden goneness left a void that was impossible to fill.
2. In moments of reflection, I often ponder the goneness of my childhood dreams.
3. The goneness of summer was palpable as the leaves began to change color.
4. He spoke of love with a sense of goneness, as if it were a distant memory.
5. The goneness of the old neighborhood made each visit feel like a bittersweet farewell.
