

GONGORISM

Meaning: GONGORISM is a literary style characterized by elaborate and ornate language, intricate metaphors, and complex syntax, particularly associated with the Spanish poet Luis de Góngora and his influence during the Spanish Golden Age.

1. The elaborate style of GONGORISM often challenges readers with its intricate metaphors and complex syntax.
2. Many poets of the Spanish Golden Age were influenced by GONGORISM, embracing its ornate language and vivid imagery.
3. Some critics argue that GONGORISM detracts from the clarity of expression, making poetry less accessible to the general public.
4. In his pursuit of beauty, the poet's use of GONGORISM can create a rich tapestry of sound and sense that captivates his audience.
5. Despite its initial popularity, GONGORISM eventually fell out of favor as simpler forms of expression gained prominence in literature.
