

GRAVEN

Meaning: Graven refers to something that is carved or engraved, typically into a hard surface, often conveying a sense of permanence or historical significance.

1. The gravens of the ancient stones were worn, yet their beauty remained undeniable.
2. As the sun set, shadows danced across the gravens of the old cemetery, telling stories of the past.
3. Each gravens on the monument was carefully crafted to honor the sacrifices of those who had served.
4. The artist spent weeks perfecting the gravens of the statues that adorned the park.
5. In the quiet of the library, she found a book filled with gravens of forgotten poets and their works.
