

GREASER

Meaning: A greaser is a member of a youth subculture from the 1950s characterized by a rebellious attitude, distinctive fashion including slicked-back hair and leather jackets, and an affinity for rock and roll music.

1. The greaser leaned against the wall, sporting a slick hairstyle and a leather jacket.
2. In the 1950s, the greaser subculture became synonymous with rebellion and rock and roll.
3. As the greaser revved the engine of his motorcycle, onlookers couldn't help but admire his confidence.
4. Despite his tough exterior, the greaser had a soft spot for his younger sister and often looked out for her.
5. The movie portrayed the greaser as a misunderstood youth navigating the challenges of adolescence.
