

GROTTO

Meaning: A grotto is a small, picturesque cave or cavern, often characterized by natural formations and sometimes associated with water.

1. The ancient grotto was filled with shimmering stalactites and the sound of dripping water.
2. During our hike, we stumbled upon a hidden grotto that seemed untouched by time.
3. The artist found inspiration in the tranquil grotto, where sunlight filtered through the rocky entrance.
4. Legends spoke of a secret grotto where lost treasures were said to be hidden beneath the waves.
5. Visitors to the park often explore the mystical grotto, captivated by its beauty and serenity.
