

GUACHO

Meaning: Guacho refers to a skilled horseman or cowboy, particularly in South American countries, known for herding cattle and working on ranches.

1. The guacho rode through the fields on his horse, wearing a wide-brimmed hat.
2. In the small village, the locals admired the guacho's skill in herding cattle.
3. During the festival, the guacho showcased his traditional dance, captivating everyone present.
4. The guacho's stories of adventure and life in the pampas fascinated the city visitors.
5. As a skilled craftsman, the guacho created beautiful leather goods that reflected his culture.
