

GUIDEBOARD

Meaning: A guideboard is a sign or board that provides directional information and guidance to travelers or visitors at a specific location.

1. The guideboard at the intersection provided clear directions for travelers.
2. As we approached the campsite, the guideboard indicated the nearest hiking trails.
3. The old guideboard was weathered but still legible, showing the way to the nearby lake.
4. During our road trip, we frequently relied on the guideboards to navigate unfamiliar routes.
5. At the park entrance, a colorful guideboard welcomed visitors and highlighted local attractions.
