

GUNOCRACY

Meaning: Gunocracy refers to a political system or governance characterized by the dominance of armed power and the influence of firearms over democratic processes and civil rights.

1. The rise of gunocracy in the region has sparked intense debates about civil rights and public safety.
2. Critics argue that gunocracy undermines democracy by prioritizing armed power over the will of the people.
3. In a gunocracy, the influence of firearms on politics often leads to a culture of fear and intimidation.
4. Many citizens feel trapped in a gunocracy where their voices are drowned out by the clamor of gun advocacy.
5. The concept of gunocracy raises important questions about the balance between individual rights and collective security.
