

# HAGIOGRAPHY

*Meaning: Hagiography is a biography that idealizes its subject, often focusing on the saintly or miraculous aspects of their life.*

1. Hagiography often blurs the lines between biography and myth, elevating its subjects to saintly status.
2. The scholar published a comprehensive hagiography of the revered monk, detailing his miraculous deeds.
3. In the realm of literature, hagiography serves both to inspire and to inform the faithful about their heroes.
4. Many critics argue that hagiography can distort historical truths in favor of glorifying its subjects.
5. Her latest book is a hagiography that sheds light on the lesser-known aspects of the saint's life.
